

Wedding ENHANCEMENTS

Make your celebration impossible to forget.

Bring your wedding to life with showstopping special effects that transform your dance floor into a spectacular stage. These enhancements create stunning backdrops for your photos, add cinematic drama to your first dance, and boost the energy on your dance floor all night long. Sparks, confetti, and haze amplify your light show, highlight special moments, and keep your guests raving long after the last song

COLD SPARK MACHINE

A safe indoor spark show that turns heads every time. Watch sparks fly from 2.5 meters up to 5 meters, framing your entrance, first dance, or grand finale with pure magic. No fireworks permit needed, and safe for indoor or outdoor use.

CONFETTI CANNON

Shower your guests in celebration! Fire a blast of colourful confetti up to 9 meters, covering* your dance floor in party vibes and creating an explosion of fun for unforgettable photos.

* Covers up to 50m2

HAZE MACHINE

Turn ordinary lights into breathtaking beams. A gentle haze fills the room, making your dance floor lights pop and adding that dreamy, romantic atmosphere everyone loves in wedding photos and videos.
